Copyright Transfer Form

Publishers and authors of journals share common interests in the protection of copyright: authors in terms of protection of work from plagiarism and publishers in terms of investment and efforts put in production of published version of the article. In order to do so effectively, we request a formal written transfer of copyright from author(s) for each article published. To avoid delay in the publication of article, please read the terms of this agreement, sign in the space provided and return the form at the earliest.

Title of the Paper:

Author(s) name(s):

Corresponding Author's name, address, affiliation and e-mail:

The copyright of the manuscript identified above and its supplement tables, illustrations or other information submitted in all forms and media is transferred to Journal of Multidisciplinary Engineering Technologies. The copyright transfer covers the sole right to print, publish, distribute and sell throughout the world, the said contribution in any medium, as such in its electronic form (offline, online). The author warrants that the contribution is original, except for copyrighted works (including illustrations, tables and text quotes) that have been included with permission of the copy right holder.
